THE PASTOR'S CORNER

FROM
FR. CONNEALY

Happy Sunday!

May begins Confirmation season for us here at St. Joan of Arc. This weekend at the 10:30 Mass we celebrate the adult confirmations. Over the next few weeks we will have First Reconciliation and First Communion and Confirmation for our children. Please keep all in prayer during this very eventful month. As well, we have numerous weddings throughout May and June. Please keep all couples in your prayers as they prepare for the Sacrament of Holy Matrimony.

There are many of you who work in healthcare in various ways, whether as nurses, doctors, pharmacists, administrators, or other positions in the important world of medicine. I would like to draw your attention to a new resource recently put out by the National Catholic Bioethics Center(NCBC) in Philadelphia. It's a book called "Transgender Issues in Catholic Healthcare". It is compiled by the NCBC and edited by Dr. Edward Furton. While there are a myriad of ethical issues that arise in the world of medicine, this is a recent work that you will find helpful in navigating the ever complicated ethical issues regarding transgender ideology.

Another good book that was recently published is by Stephanie Gray Connors. It's called, "Start with What: 10 Principles for Thinking About Assisted Suicide". It is a simple read and just under 120 pages. In the book Stephanie addresses certain ways of thinking and speaking about assisted suicide that promote a culture of death. She uses simple arguments to remind the reader of the dignity of human life in the face of suffering. I highly recommend this book.

Have a great week everyone and know of my prayers!

In Christ,

Fr. Connealy

WELCOME VISITORS

We are happy to have you join us today and every Sunday. You enrich our Masses by your presence and your participation. We hope that you find our liturgies here to be an inspiring celebration of our faith. Please come back again...and often.

LA ESQUINA DEL PASTOR

DE
P. CONNEALY

¡Feliz domingo!

Mayo comienza la temporada de Confirmación para nosotros aquí en Santa Juana de Arco. Este fin de semana, en la Misa de las 10:30 de la manaña, celebramos 7 confirmaciones de adultos. Durante las próximas semanas, tendremos la Primera Reconciliación, la Primera Comunión y Confirmación para nuestros hijos en Educación Religiosa. Por favor, mantengan a todos en oración durante este mes lleno de acontecimientos. Además, tenemos numerosas bodas durante mayo y junio. Por favor, mantenga a todas las parejas en sus oraciones mientras se preparan para el Sacramento del Santo Matrimonio.

Hay muchos de ustedes que trabajan en la atención médica de diversas maneras, ya sea como enfermeras, médicos, farmacéuticos, administradores u otros puestos en el importante mundo de la medicina. Me gustaría llamar su atención sobre un nuevo recurso publicado recientemente por el Centro Nacional Católico de Bioética (NCBC) en Filadelfia. Es un libro llamado "Problemas de las personas transgénero en la atención médica católica". Está compilado por el NCBC y editado por el Dr. Edward Furton. Si bien hay una gran cantidad de problemas éticos que surgen en el mundo de la medicina, este es un trabajo reciente que encontrará útil para navegar por los siempre complicados problemas éticos relacionados con la ideología transgénero.

Otro buen libro que se publicó recientemente es el de Stephanie Gray Connors. Se llama "Empiece con qué: 10 principios para pensar en el suicidio asistido". Es una lectura sencilla y poco menos de 120 páginas. En el libro, Stephanie aborda ciertas formas de pensar y hablar sobre el suicidio asistido que promueven una cultura de la muerte. Utiliza argumentos sencillos para recordar al lector la dignidad de la vida humana frente al sufrimiento. Recomiendo altamente este libro.

¡Que tengan todos una gran semana y conozcan mis oraciones!

En Cristo,

P. Connealy

ADORACIÓN EUCARÍSTICA ...

¿POR QUÉ DEBO SER ADORADOR?

¡Hay muchas razones! Lo más impovrtante es visitar y pasar tiempo con Nuestro Señor Jesucristo que es siempre. Presente en la Sagrada Eucaristía (también llamado Santísimo Sacramento). Como cualquier relación, lo que ponemos en es lo que vamos a volver y nuestro Señor no está superado en la generosidad! Como un adorador comprometido también tiene la increíble responsabilidad de mantener al Señor no sólo compañía sino también seguro en la Capilla de la Adoración. Los feligreses y otros generalmente se comprometen a una hora (o más) por semana. Venir a la adoración es una manera perfecta de acercarse cada vez más a Jesús e intensificar nuestra vida espiritual. ¡Que Cristo sea siempre Rey de nuestros corazones!

EUCHARISTIC ADORATION....

WHY SHOULD I BE AN ADORER

There are many reasons! Most importantly is to visit and spend time with Our Lord Jesus Christ who is ever present in the Holy Eucharist (also called the Blessed Sacrament). Like any relationship, what we put in is what we will get back and our Lord is not outdone in generosity! As a committed adorer you also have the amazing responsibility to keep the Lord not only company but also safe in the Adoration Chapel Coming to adoration is a perfect way to draw ever closer to Jesus and to intensify our spiritual life. By Alberta & Gary Pizzitola, PhD

The Pandemic, the Sacraments, and the Theology of the Body (Part 2)

Brian Hanson

In Part 1, we highlighted two competing logics that operate in our contemporary cultural climate vis-a-vis the pandemic: on the one hand, we see a pervasive virtual logic that promotes isolation ("social distance") in the name of "health" that is equated with mere survival and preservation; on the other hand, we as Catholics are familiar with a sacramental logic that makes up our lives in the flesh which includes the totality of our existence (body and soul) in communion with Jesus Christ and with members of his body, the Church.

In light of this, we can ask: what difference is there between virtual and in-person reality?

When we think about "in-person reality," we can take our bearings from the "Word (Logos) made flesh" -- the Incarnation of Jesus Christ. God's communication to us is the "in-Person Reality" of the body, blood, soul and divinity -- the whole Person -- of Jesus Christ. And it is in and through the Sacraments of the Church that the life of Christ is communicated and given to us.

This is also why the Sacraments cannot be celebrated "virtually": they require the totality of our person as well (body and soul). To borrow an insight from the French Catholic cultural critic Georges Bernanos: a virtual mode of living our faith would progress toward a dis-incarnated reality: a denial of Jesus Christ in the flesh (see 2 John 1:7). Ultimately, this would also mean a denial of the sacramental logic of our faith, and a denial of the Sacraments themselves, which is the privileged place where we fully encounter Christ.

Furthermore, to deny or to postpone the Sacraments in the pandemic would not "save our lives" in this reductive sense of health-as-survival. This is because the Sacraments are precisely the place where we are healed and saved by Christ himself. While it may have been necessary (to a certain degree) to take measures to avoid the risk of contagion, there is a different and more fundamental risk that needs to be avoided: the devaluation of the Sacraments and of the sacramental logic that makes up our lives as Catholics.

Are the celebration of the Sacraments of the Church necessary to live? Yes, if we desire to live fully (and not merely survive)! But do we also live our lives in order to celebrate the Sacraments, to live sacramentally -- i.e. a life of encounter with Christ? Another reason why the Sacraments cannot be celebrated virtually is because Jesus Christ does not simply desire to remain a example for living a morally upright life, ultimately unrelated to him -- on the contrary, the total transformation that Christ desires for us comes about in and through the Sacraments, which is the relational environment where we live our Christian lives in communion with others who have also been transformed by Christ in the Sacraments.

We'll continue this theme in Part 3.
