NO SCHOOL

We have had a very busy spring so far. We have been learning about growing things. We started with animals on farms and have moved into flowers and plants.

Parent/Teacher Conversations are on Thursday March 7th. There will be no school on this day. Sign-ups are available on the School Connect App (formerly ClassTag). Let me know if you would prefer an in-person conversation or a phone conversation.

We have especially been preparing for Easter, the holiest day of the year. We will not have school on March 28th and 29th. Easter Break will be the week following Easter. School will resume Monday April 8th.
