

Mrs. Dougherty's April News

I have to admit, I am a little sad doing an April newsletter. I cannot believe the school year is almost over. I have truly enjoyed teaching your children this year. The progress the kids have made is amazing! Without a doubt, they are all ready for Kindergarten. I still even have some time to get them even more prepared!

This month we will be learning about nutrition, preparing for Easter, and working on a Mother's Day surprise!!
