Religious Education/Sacramental Preparation OUTLINE

The Big Question: Where does my child belong in St. Joan of Arc's Religious education process?

The Big Answer: Excellent! Sometimes there can be a fair amount of confusion surrounding this question, so allow us to help. We have a three-year RE/Sacramental Prep process designed to help entire families grow in their Catholic faith together. So often parishes will do a wonderful job catechizing the younger generation, but if parents do not know their faith, or fail to practice at home, it's unlikely the child's own faith will prosper. Naturally, we don't want that to happen. Rather, it is the Church's desire that every recipient of the grace of Baptism be faithful followers of Jesus Christ their entire lives; but for that to happen, mom and dad, themselves, must be living out the ideal, and modeling it to their children. In this, it is the parish's responsibility to help parents fulfill what they promised at the time of their child's Baptism. The three-year process outlined below is how this parish chooses to fulfill that responsibility.

Please find below an outline of our three-year program.

Year A: Parent Evangelization & Catechesis

All new incoming parents desiring sacramental preparation for their child are required to attend a year-long adult religious education class before sending their child to the parish for instruction. The classes meet weekly for two hours, and at least one parent is expected to attend regularly. Dates and times of classes will be provided upon registration.

Year B: Parent & Child Evangelization/Catechesis

Returning for their second year of instruction, parents may now enroll their child in religious education classes. Typically, this first year of in-class instruction for the child is spent presenting them with a more complete picture of salvation history, in addition to preparing them for the sacrament of Reconciliation.

Year C: Parent & Child Evangelization/Catechesis

Returning for a third year of instruction, parents may once again enroll their child in religious education classes, leading to their Confirmation and First Eucharist.
