PARISH BEAUTIFICATION UPDATE

Parish Beautification Update July 2026!

Hope you all had a blessed 250th Anniversary of our Nation's Independence! It's a blessed time for us to recall the day when our country claimed its place among the family of nations and the achievements we have made thus far. Our faithfulness in building a culture of life with our brothers and sisters needs to continue to persevere in our nation by respecting the dignity of human life at all stages of life from conception to natural death. Our families and friends deserve a place where human life flourishes.

Today I want to provide a few updates on our progress in our building and maintaining our parish community here at St. Joan of Arc as it has been 47 years since we have been established. As of June 1, 2026, our parish beautification fund has raised \$16,224.67 with about 215 of our 1600 families committed to help replenish our savings account for these major projects in our parish. Thank you to these families for your generous offering in providing for God's house. Our Weidner Hall roof repair is close to completion and that cost us \$126,729 and our Fire Alarm System updates are our next phase of projects and that will cost us about \$85,000. We are making an impact to provide these important safety measures for our parish and I am so grateful for your generous support.

Please continue to pray for our parish under that patronage of Saint Joan of Arc.
Together we can beautify our campus and allow it to last another
50 glorious years!

In gratitude to almighty God for wonderful parishioners!

¡Actualización sobre el embellecimiento de la parroquia, julio de 2026!

¡Espero que todos hayan tenido un bendecido 250.º aniversario de la independencia de nuestra nación! Es un momento bendecido para recordar el día en que nuestro país ocupó su lugar entre la familia de naciones y los logros que hemos alcanzado hasta ahora. Nuestra fidelidad en la construcción de una cultura de la vida junto a nuestros hermanos y hermanas debe seguir perseverando en nuestra nación, respetando la dignidad de la vida humana en todas sus etapas, desde la concepción hasta la muerte natural. Nuestras familias y amigos merecen un lugar donde florezca la vida humana.

Hoy quiero compartir algunas novedades sobre nuestro avance en la construcción y el mantenimiento de nuestra comunidad parroquial aquí en Santa Juana de Arco, ya que han pasado 47 años desde nuestra fundación. Al 1 de junio de 2026, nuestro fondo para el embellecimiento de la parroquia ha recaudado \$16,224.67, y unas 215 de nuestras 1,600 familias se han comprometido a ayudar a reponer nuestra cuenta de ahorros para estos proyectos importantes en nuestra parroquia. Gracias a estas familias por su generosa ofrenda para cuidar la casa de Dios. La reparación del techo del Weidner Hall está a punto de concluir y nos ha costado \$126,729; la modernización de nuestro sistema de alarma contra incendios es la siguiente fase de nuestros proyectos y nos costará aproximadamente \$85,000. Estamos logrando un gran impacto al implementar estas importantes medidas de seguridad para nuestra parroquia y estoy muy agradecido por su generoso apoyo.

Por favor, sigan orando por nuestra parroquia bajo el patrocinio de Santa Juana de Arco. ¡Juntos podemos embellecer nuestro recinto y hacer que perdure otros 50 años gloriosos!

¡En agradecimiento a Dios Todopoderoso por estos
maravillosos feligreses!

PARISH REGISTRATION

Question:

Why is it so important that we register in a parish?
Isn't it good enough that we go to Mass?

Answer:

Registration is the official way we join a parish community. Many people think that because they attend a particular parish they automatically belong. At times, young adults who have moved away for years think they are still signed up under their parents. But membership requires signing up, formally enrolling yourself in a parish. Registration is a commitment to a community, a way to be included in the religious, social, and ministerial activities of your parish. Your registration affects the parish in many ways. Census numbers can determine how many priests are assigned to a church, what benefits and obligations the community has to the diocese, and how Masses, Confessions, and devotions are planned and scheduled.

Registration shows you belong. It is also necessary for certain *benefits, like scheduling sacraments, obtaining sponsor certificates, and getting donation statements for taxes.* Most importantly, it lets the parish count on you, to call on you to assist in its mission. Registering in your parish is a statement of faith and confidence in the life and work of your parish.

Please take a moment today to register at www.stjoanofarc.com or scan the QR code below.

LEGION OF MARY

Enthronement of the Sacred Heart of Jesus in the Home

What is it?

It is a recognition of the Sacred Heart as King of the family. By a symbolic act, which actually is the enthroning of a Picture or statue of the Sacred Heart in a place of honor in the home, the family acknowledges that Christ is the King and loving Master of the home and pledges to live in union with His Divine Heart by love and by obedience to His Commandments. Invite the Legion of Mary to arrange YOUR Sacred Heart Enthronement! Call Rosemary 602-690-7702.

And Mary came to my home!

Hosting her was not hard at all, like I thought. We cleaned up extra for visitors and made a nice spot for her, but that was it. Mom and Dad were super serious about being careful around the statue. Mom kept saying she was scared the boys would throw a ball and break her. But guess what? They were actually really good around Mary. Every day, Mom, Dad and I prayed the rosary. Sometimes it was all of us together, and sometimes we said it by ourselves. You should totally do it! Having Mary in your home brings everyone closer, helps you learn your prayers better, and just makes your house feel calmer at the end of the day.

I'm so glad that Mary came to my house!

REFLECTIONS

The Gardener and the Soil

I began writing this piece by googling “how do you make soil fertile?” which should tell you everything you need to know about my own abilities as a gardener.

I remember seeing a packet of seeds in the store one summer as a child and convincing my mother to buy them. They were delphiniums, which bloom into a beautiful cone shape if you know what you’re doing. Alas, I didn’t. I chose for my garden a particularly dry spot of earth right next to my backyard playset, scattered the seeds, congratulated myself, and went on my merry way. I returned occasionally to water the area, but only when I remembered to.

Nothing grew, not even a little sprout. I was more than heartbroken — my faith was shaken. I had planted these seeds! I had watered them! (A little.) There was sunlight! All my childhood books and rhymes said this was all you needed. Was it all a lie?

Of course it wasn’t a lie. Seeds need soil, sunlight, water, and oxygen — good soil, adequate sunlight for whatever the plant is, and consistent water.

So what seeds need more than anything is a gardener. (At least, delphiniums do.)

When I hear the parable of the rich soil and the rocky ground in the Gospel of Matthew, I often miss the point.

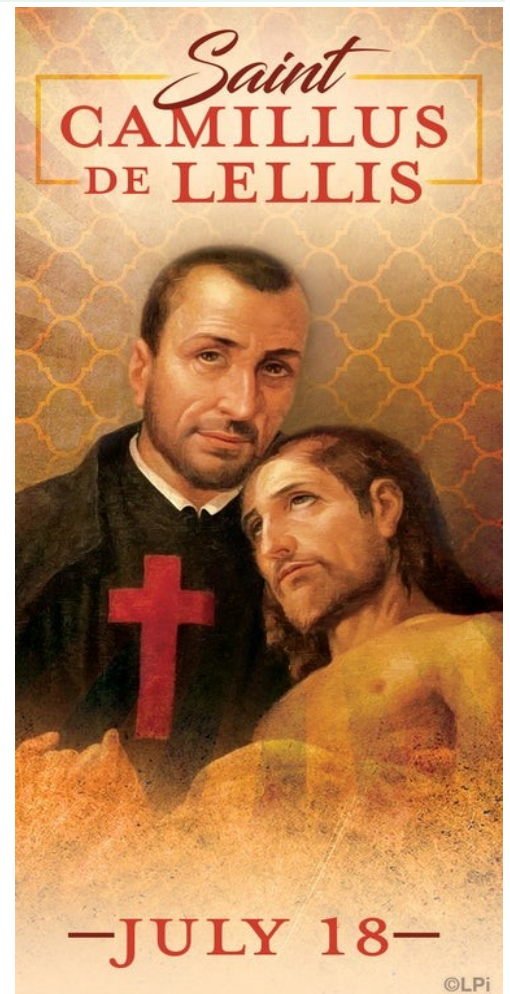

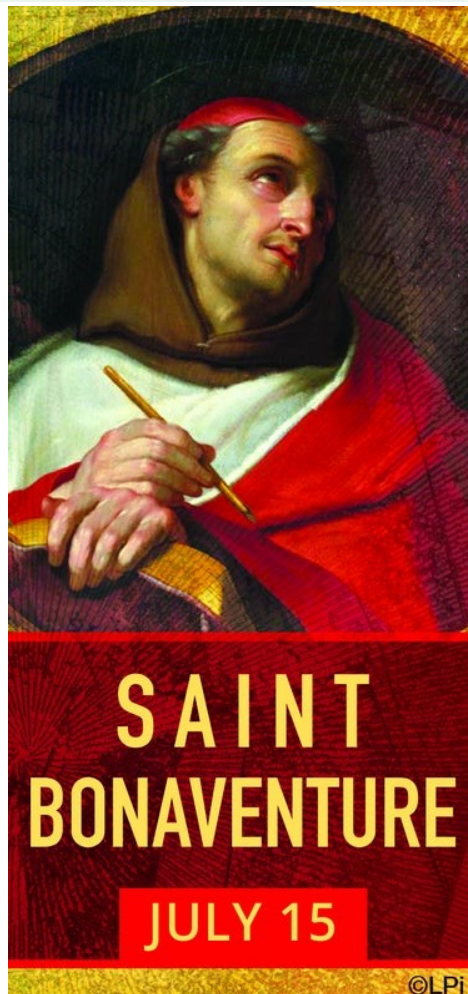

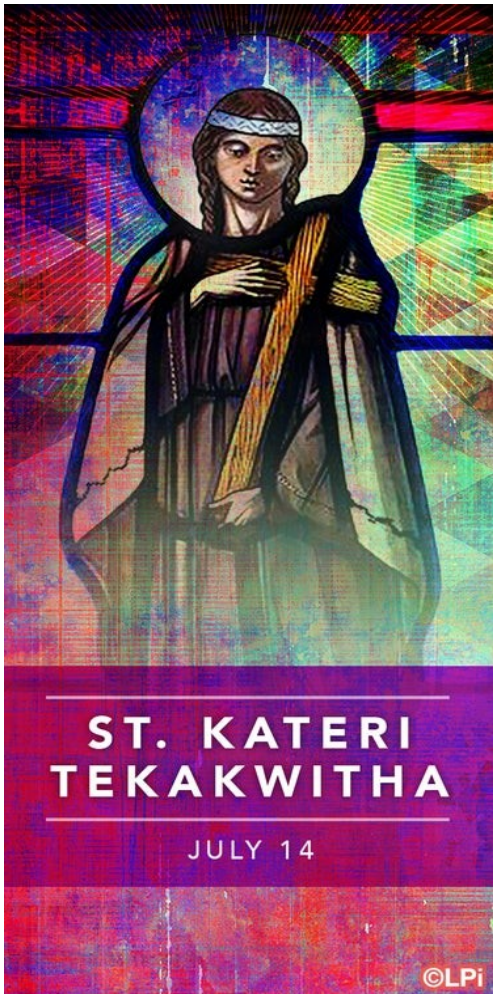

I think Jesus is trying to give me a message about how I should be.

“Be better.” That’s what I think he’s telling me.

I forget that I am only the soil. I cannot enrich myself; all my efforts to do so will come to nothing. What he is telling me is to ask the gardener: “Make me what I need to be.”
