

October

news

Hello Class Family!

October is sure to be a fun, exciting month. We have a lot planned focusing on pumpkins, bats and spiders. We have met 4 of our Superkid friends and look forward to meeting many more. The students are starting to learn about beginning, middle and final sounds. We continue to work on rhyming words too. We are beginning our Social Studies unit on community workers. In Math, we are sorting and classifying while counting. The students will then begin to use equations to add and subtract within 5. October will also be focused with learning about Saints and learning how to pray the Rosary. *The Carter Farm Petting Zoo adventure is being rescheduled due to reseeding in the parish courtyard.

"Be SILLY.

Be honest.

Be **KIND**."

- Ralph Waldo Emerson

Oct. 29- . Trunk- or- Treat- 5:30 until the candy is gone:)
Oct.30- Saint shirts (Will be made it class)

Learning Focus:

Our class has been very busy practicing skills with the help of apples. We continue to work on letter identification, formation and sounds. A few are beginning to blend sounds to make words.

The students are mastering their numbers 0-5 and learning about greater, lesser and equal. For Science we used our 5 senses, textures and apples. In Religion, we continue to learn the responses at Mass and all about God's Creation. For social skills, we continue to work on 'personal space' waiting in line, and respecting our environment.

Needed Supplies

Each student will need a Pie Pumpkin for an activity we will be doing the first week of November. Please bring these in on November 2 or 3. Please do not cut them.
