

December/January Newsletter Mrs.Olivia's 3's class

Dear Parents,

It's already December and the New Year is just around the corner. Thank you parents, for all your help and for coming to our Thanksgiving feast. It was good to see all of you enjoying a meal with us.

We have some exciting activities planned this month. We ended November with our Candy Christmas tree activity. The children really enjoyed it. My favorite activity is the Gingerbread Man. Ask your child what happened to him and if he was ever caught.

We are going to grow some candy canes and I can't wait for them to watch the magic happen. We are also practicing our songs for the Christmas Program and started working on our gifts for parents.

We are continuing our learning of the Saints and started the Advent calendar.

After break, we will have more fun activities and pre-registration will begin for next year. We will end the month with Catholic School's Week.

Happy Holidays
Olivia Candelaria
