waterslide and picnic fun for the family!

Dear Mini 3s ,

Welcome to our last month of school! It is unbelievable how our time has flown. Your children have blossomed into super preschoolers and dear friends.

We have had lots of fun learning about bugs. We are now moving on to another spring theme- flowers! If you have any flowers to donate at any time this month, we will gladly use them in our classroom for flower arranging and art projects.

*Six white carnations would especially be appreciated!

We also focus on honoring our mothers in May, with Mother's Day and May Crowning.

May Crowning will take place in the courtyard immediately following our last Family mass. It should not take longer than 15 minutes. We would love for you to join us if possible.

Last but not least, THANK YOU for being such sweet and supportive parents. It has been a pleasure knowing you all. Your families will always hold a special place in my heart.

Sincerely,
Miss Angie
