Miss Felicity's - Jr. Pre-K Class

St. Joan of Arc Catholic Preschool and Kindergarden

A Note from Miss Felicity-

Dear Families,

It has been such a joy getting to know each of your children and watching our classroom community grow! We have been working hard on learning our routines, making friends, sharing, taking turns, and becoming more independent each day. I am so proud of all the growth I have already seen in our little learners!

This month, we will be exploring colors, discovering the beautiful colors of fall, and learning how colors can mix together to create new ones. We will also be learning more about the saints and the wonderful examples they give us of loving God and others.

We will continue practicing our prayers and the Sign of the Cross throughout our day. Before snack and lunch, we practice our Grace Before Meals. I encourage you to continue practicing prayers and the Sign of the Cross at home as well, as this helps reinforce what we are learning and makes these special moments a natural part of our daily routines.

Thank you for trusting me with your children. I feel so blessed to be their teacher and look forward to another wonderful month together!

Blessings,
Miss Felicity
