Wish List Items:

Inexpensive packs of stationary/cards from dollar tree, etc. The children have been enjoying practicing their literacy skills by writing cards.
Stickers of any kind

Dear Parents,

We had a busy November discussing what it means to be thankful and identifying the blessings that God has bestowed upon us. A special Thank You to all of you who were able to attend and contribute to our Thanksgiving Feast.

Christmas is only 20 days away and the children's excitement is contagious. Each day I'm hearing about the different holiday experiences they are having outside of school -whether it be decorating at home, baking cookies, seeing Santa, or sneaky elves playing tricks. These stories bring me a great deal of joy and remind me how magical this time of year is, especially for children.

Our class has been focusing on the Christian aspect of this holy celebration, the Nativity – The birth of our Lord and Savior, Jesus Christ. We will be having a beautiful Christmas program on Friday, December 22nd - the children will sing several songs that we have been practicing in class. **Please take your child to the bathroom and then have them in our classroom at 9:00 a.m.** After dropping them off, I strongly recommend that you go and secure seats in Weidner Hall. Children should come wearing their Sunday best, or Christmas attire. Immediately following the program, cake will be served to celebrate Jesus's birthday.

Please make sure that your child's change of clothes that is kept in their cubby, still fits and is suitable for the cooler temperatures heading our way.

Wishing everyone a peaceful Christmas.
